Yealink UH35 Mono UC USB-C/A Wired Headset (UH35 Mono UC USB-C/A)

The Yealink UH35 Mono UC Wired Headset is a UC platform certified professional USB wired monaural headset designed for productive communication in the office or at home. With a 35 mm speaker and wideband HD audio, it delivers clear and natural sound quality for calls, and its dynamic EQ automatically switches between call and music modes. The dual noise-cancelling microphones with Acoustic Shield Technology intelligently shield background noise and pick up only the speaker's voice, ensuring crystal-clear call quality. The UH35 Mono UC is ultra-lightweight with a skin-friendly leather headband and foam ear cushion for all-day wearing comfort. The integrated busylight glows red automatically when you are on a call or in a meeting to reduce external interruptions. It connects via USB-A or USB-C and integrates natively with Yealink IP phones. Yealink UH35 Mono UC Technical Specifications:
