Yealink UH44 Microsoft Teams Over-the-Head Monaural Headset

The Yealink UH44 Microsoft Teams Over-the-Head Monaural Headset delivers outstanding audio performance and noise-cancelling capabilities. Its superior design and comfortable materials ensure all-day comfort. Whether in the office or working from home, the UH44 Mono helps you stay focused and enhances your productivity. With ergonomically designed curved arms, an ideal clamping force and even pressure distribution are ensured. The soft artificial leather and enhanced contact area of the headband provide a snug fit with suitability for all wearing preferences. With soft memory foam and a generously sized ear cushion, you can enjoy breathable comfort all day long. The oval-shaped earcup rotates, ensuring unmatched comfort and seamless focus throughout your day. With two microphones and Yealink Acoustic Shield 3.0's advanced voice isolation algorithm, background noise from all directions is filtered out. Experience ultimate audio quality with a 35 mm custom speaker for rich, full-bodied sound reproduction, enhanced volume, and wideband HD audio technology for immersive sound. Simply use the USB-C cord with USB-A adapter for flexible plug-and-play to your devices. The ideal cable length and wear-resistant design offers better reach and flexibility, while in-line controls allow for easy call, volume, and mute management. A lift-to-mute microphone boom provides instant privacy, and a busylight ensures all-angle visibility to reduce interruptions. With a dedicated Microsoft Teams button on the in-line controller, users can join a Teams meeting in one quick tap. The UH44 Mono is also compatible with 100+ platforms and operating systems, ensuring seamless connectivity and effortless collaboration. With Yealink USB Connect (YUC) and Yealink Management Cloud Service (YMCS), IT managers can streamline deployment, management, and upgrades effortlessly. Yealink UH44 Technical Specifications:
