### Yealink BH71 Workstation Pro USB-C/A Bluetooth Headset System

The Yealink BH71 Workstation Pro USB-C/A is a mono Bluetooth wireless business headset system designed for hybrid working and on-the-go use. It pairs the BHM711 lightweight headset (just 18g) with the BHB710 all-in-one workstation station, delivering high-definition audio whether in the office, on the commute, or at home. With 4-mic beamforming noise cancellation technology, calls remain clear in any environment. The BHM711 headset provides up to 10 hours of talk time and up to 11 days on standby, with the included BHC71P charging case adding a further 20 hours of battery life. The BHB710 station features a 3-inch touchscreen, built-in speakerphone, three USB 3.0 ports, and Qi wireless charging (up to 15W) for smartphones. The station can connect to a desk phone, PC, and smartphone simultaneously via the BT51A Bluetooth dongle, providing a seamless all-in-one UC communication experience.
