### Yealink VCR20 Microsoft Teams Remote Control

The Yealink VCR20 Microsoft Teams Spare Remote Control is compatible with Yealink Microsoft Teams Rooms on Android devices, including both MeetingBar A20 and MeetingBar A30. This remote control features a dedicated Microsoft Teams button, plus call answer/end buttons and more, making it simple to manage your video calls. The VCR20 features a scroll wheel with OK key for camera control, allowing you to zoom in and out on the camera image and pan and tilt the camera to adjust the viewing angle. The Teams key lets you join the first meeting on the meeting list with a single press, or open the sidebar with a long press. Yealink VCR20 Key Functions:

- Answer Key – make or receive calls
- End Key – end a call or exit the current meeting
- Teams Key – press to join the first meeting; press and hold for 5 seconds to open the sidebar
- Scroll Wheel / OK Key – zoom in/out on camera image; press OK to confirm
- Navigation Key – pan and tilt the camera to adjust viewing angle
- Mute Key – mute or unmute the microphone
- Return Key – return to the previous level
- Volume Key – turn volume up or down
