

Yealink MShare E2 MVC Screen Sharing Box (MShare E2)

Product Name: Yealink MShare E2 MVC Screen Sharing Box (MShare E2)

Manufacturer: Yealink

Model Number: MShare E2

Yealink MShare E2 MVC Screen Sharing Box

The Yealink MShare E2 is the MVC screen sharing box, using a design that is separate from the Touch Console. It can make deployment more flexible and satisfy a wider range of different scenarios. When the MTouch Console casting cable is no longer enough, the compact and flexible MShare E2 can be deployed in proximity space to enable the casting function. The MShare E2 features three ports — 1x USB Type-B, 1x HDMI In and 1x USB-C — and a LED bi-color light that indicates the casting status of the wired auxiliary stream. Additionally, the MShare E2 can be hidden into the conference desk for better integration with the HDMI matrix and to give the table a cleaner look. Yealink MShare E2 Technical Specifications:

Interface

• 1x USB Type-B (Female)

• 1x HDMI In (Female)

• 1x USB-C In (Female)

• 1x LED bi-color light

Physical

• Product size: 116 x 61 x 16.8 mm

• Net weight: 0.082 kg

• Operating temperature: 0–40°C

• Operating humidity: 10–95%

Package Contents

• 1 x MShare E2

• 1 x USB-C Cable

• 1 x HDMI Cable

• 1 x USB Type-A Cable

• 1 x Quick Start Guide
