

Yealink MB-12X Pro Optical Zoom Camera (MB-12X Pro)

Product Name: Yealink MB-12X Pro Optical Zoom Camera (MB-12X Pro)

Manufacturer: Yealink

Model Number: MB-12X Pro

Yealink MB-12X Pro Optical Zoom Camera (MB-12X Pro)

The Yealink MB-12X Pro is a 12x optical zoom camera module designed for the second-generation Yealink MeetingBoard in medium and large conference room scenarios. It installs directly into the MeetingBoard's custom slot on top of the device, requiring no additional wiring or brackets. Together with the MeetingBoard's built-in wide-angle lens, it forms an intelligent triple-camera 4K solution. Yealink's AI voice positioning and image algorithms analyse participant distribution and movement in real time, enabling automatic framing, voice tracking, and intelligent tracking for consistently optimal viewing angles.

Specifications:

Camera

• Video output: 4K / 30 FPS

• Zoom: 12x optical zoom

• Lens angle: DFOV 90°, HFOV 80°, VFOV 49°

• Focal length: 3.4–40.4 mm

• Aperture: F1.8–F3.62

• Minimum illumination: 0.5 lux (Day), 0.1 lux (Night)

• Signal-to-noise ratio: > 63 dB

• Automatic exposure: Yes

• Automatic white balance: Yes

• Electric privacy shutter: Auto

Movement

• Pan range: ±100°

• Tilt range: 0° / -90°

Connectivity

• Physical port: Yealink Custom Port

• Installation method: MeetingBoard Custom Slot

Power

• Average consumption: 8.8 W

• Peak consumption: 13.3 W

• Standby consumption: 8.4 W

Other Physical Features

• Height (top to top of built-in lens): 147 mm

• Lens barrel length: 114 mm

• Dimensions (W × D × H): 24.5 × 28.7 × 12.5 cm

• Weight: 1.0 kg

Package Contents

• 1 × Yealink MB-12X Pro

• 1 × Quick Start Guide

• 1 × Screwdriver
