

## Yealink MCore 4 Mini-PC Microsoft Teams Rooms (MCore4-MS)

Product Name: Yealink MCore 4 Mini-PC Microsoft Teams Rooms (MCore4-MS)

Manufacturer: Yealink

Model Number: MCore4-MS

### Yealink MCore 4 Mini-PC Microsoft Teams Rooms (MCore4-MS)

The Yealink MCore 4 (MCore4-MS) is a Mini-PC designed for Yealink meeting room systems, pre-loaded with Microsoft Teams Rooms. Powered by the Intel Ultra5 125H processor with NPU, it delivers outstanding data processing and AI computing performance for immersive video conferencing. The back panel features a comprehensive range of ports for connecting displays, cameras, touch consoles, and audio devices. MCore 4 supports wired and wireless connection to touch consoles and can be installed on walls, behind displays, or under desks. A cable-locking mechanism and cable management cover allow quick, tool-free cable replacement without disassembling the unit. Yealink MCore 4 Technical Specifications:
