

Yealink MCoreKit-C5U Microsoft Teams Rooms Kit (MCoreKit-C5U-MS)

Product Name: Yealink MCoreKit-C5U Microsoft Teams Rooms Kit (MCoreKit-C5U-MS)

Manufacturer: Yealink

Model Number: MCoreKit-C5U-MS

Yealink MCoreKit-C5U Microsoft Teams Rooms Kit (MCoreKit-C5U-MS)

The Yealink MCoreKit-C5U (MCoreKit-C5U-MS) is a Microsoft Teams Rooms system bundle combining the Yealink MCore 4 Mini-PC, the MTouch Plus 11.6-inch touch panel, and the RoomSensor occupancy sensor. Pre-loaded with Microsoft Teams Rooms and Yealink RoomConnect, the system provides a native Teams experience with one-click meeting control, intelligent room management, and flexible wired and wireless content sharing. The MCore 4 is powered by the Intel Ultra5 125H processor with NPU for AI-enhanced conferencing. The RoomSensor operates wirelessly via Bluetooth, detecting room occupancy and displaying real-time temperature and humidity on the MTouch Plus. All devices support the Yealink Device Management Platform for remote monitoring, configuration, and updates. Yealink MCoreKit-C5U
