Yealink UVC34 All-in-One USB Video Bar (UVC34)

The Yealink UVC34 is an all-in-one intelligent USB video bar for small and huddle rooms and work-from-home scenarios. It features a 4K/30FPS camera with a 1/2.8-inch CMOS sensor, 120° super-wide-angle lens, and electric lens cap for automatic privacy protection. AI technologies including Auto Framing, Speaker Tracking, and AI Face Enhancement deliver an intelligent conferencing experience. Eight built-in MEMS microphones provide a 5-metre voice pickup range with Yealink Noise Proof Technology and full-duplex audio. Built-in Wi-Fi and Bluetooth 4.2 enable remote device management and wireless connectivity. The UVC34 is compatible with Microsoft Teams, Zoom, Google Meet, Cisco Webex, and most major video conferencing platforms. Yealink UVC34 Technical Specifications:
