

Yealink CTP25 Mount Kits (CPT25 Mount Kits)

Product Name: Yealink CTP25 Mount Kits (CPT25 Mount Kits)

Manufacturer: Yealink

Model Number: CTP25 Mount Kits

Yealink CTP25 Mount Kits

The Yealink CTP25 Mount Kits provide flexible mounting options for the Yealink CTP25 Touch Panel, allowing deployment across a wide range of conference room environments and setups. Four mounting options are available to suit your specific installation requirements. The Desk Stand (Low) and Desk Stand (High) options allow the CTP25 to be placed on a table at your preferred height and angle. The Wall Mount option allows the CTP25 to be mounted directly onto a wall for a clean, space-saving installation. The Table Lock Kit provides a secure mounting solution directly onto the conference table. Yealink CTP25 Mount Kits Specifications: Mounting Options

- Desk Stand (Low) — place on the table at a low profile
- Desk Stand (High) — place on the table at a high profile
- Wall Mount — mount on a wall
- Table Lock Kit — mount securely on the table

Compatibility

- Designed for use with Yealink CTP25 Touch Panel
