

Fanvil i564W SIP Indoor Station (i564W)

Product Name: Fanvil i564W SIP Indoor Station (i564W)

Manufacturer: Fanvil

Model Number: i564W

Please Note: This unit can be powered via PoE (802.3af) or 12 VDC 2A power supply. Please see attributes for power supply options.

Fanvil i564W SIP Indoor Station (i564W)

The Fanvil i564W is a 7-inch colour touchscreen indoor station that integrates professional video intercom and access control into a sleek, minimalist unit. A brand-new UI/UX combines with a tactile volume knob to provide intuitive interaction, while HD audio and one-touch family call work together to deliver instant, crystal-clear communication. By providing a secure, convenient, and smart living experience, the i564W is ideal for mid-to-high-end residences, villas, and commercial buildings. Wi-Fi 6 and BLE key support make it simple to use for all ages, while the HD speaker with smart noise cancellation delivers 5-metre voice pickup for hands-free communication. Fanvil i564W Technical Specifications:
