

Fanvil LINKVIL DH602D Hybrid DECT & Bluetooth Headset (DH602D)

Product Name: Fanvil LINKVIL DH602D Hybrid DECT & Bluetooth Headset (DH602D)

Manufacturer: Fanvil

Model Number: DH620D

Fanvil LINKVIL DH602D Hybrid DECT & Bluetooth Headset (DH602D)

The Fanvil LINKVIL DH602D Hybrid DECT & Bluetooth Headset is designed to meet demanding communication requirements across diverse work scenarios, delivering stable, smooth, and high-quality audio for professional collaboration environments. With dual-mode DECT and Bluetooth connectivity, users can switch seamlessly between computers, mobile phones, and IP phones to handle different communication needs with ease. The DH602D features advanced AI noise reduction and voice enhancement technology, supported by a three-microphone array, to ensure clear and natural voice transmission even in open offices or noisy environments. Smart wearing detection automatically identifies usage status to optimise call and media performance, while the two-sided visual busy light helps users stay focused and reduces interruptions. Its lightweight design and replaceable ear cushions improve wearing comfort, allowing for extended use without fatigue. Bluetooth 1-to-2 connection enables smoother switching between two Bluetooth devices, while the pre-paired DT10 dongle allows quick plug-and-play setup with a PC or VoIP phone. Stable DECT wireless performance keeps users connected while moving around the office, with a range of up to 180m in open areas. The DH602D enhances stability and efficiency in unified enterprise communication, making it a practical choice for modern offices and remote collaboration. Fanvil DH602D Technical Specifications:

Microphone

• Type: 3 omnidirectional analog microphones

• Sensitivity: -38±2 dBFS/Pa

• Frequency range: 100Hz–10KHz

Speaker

• Size: φ32mm

• Max input power: 15mW

• Sensitivity: 102±3dB

• Frequency range: 20Hz–20KHz

• Music mode bandwidth: 20Hz–20KHz

• Talk mode bandwidth: 100Hz–8KHz

Audio

• Wearing sensor: capacitive in-ear detection

• Features: crystal sound experience, full-duplex technology, AI Environmental Noise Cancellation (AI ENC), Acoustic Noise Reduction (ANS), Automatic Gain Control (AGC)

• User hearing protection: EN50332

Connectivity

• Compatible devices: PC, mobile devices, VoIP phone

• Connection methods: Bluetooth, DECT Dongle, USB Cable

• DECT dongle connection: headset pairing

• DECT wireless range: 180m / 590 feet (open area)

• DECT frequency bands: 1880–1900 MHz (EU); 1920–1930 MHz (US/Canada)

• Secure DECT level: Step C authentication-DSAA2, encryption-DSC2 (128 bit)

Fanvil LINKVIL DH602D Hybrid DECT & Bluetooth Headset (DH602D)

- Bluetooth version: 5.3
- Bluetooth profiles: HFP, HSP, A2DP, SPP, AVRCP
- Bluetooth range: 50m (open area)
- Bluetooth pairing list: up to 8 devices
- Simultaneous Bluetooth connections: 2

Battery

- Type: Lithium Polymer Battery
- Capacity: 600mAh
- Charging time: 3h (5V/0.5A)
- Talk time (DECT mode): 12h
- Talk time (Bluetooth mode): 40h
- Music time (DECT mode): 12h
- Music time (Bluetooth mode): 54h
- Standby time (DECT mode): 92h
- Standby time (Bluetooth mode): 142h

General

- Charging method: USB Cable
- Weight (headset): 180g
- Working temperature: -10°C to +60°C
- Storage temperature: -20°C to +70°C
- Working humidity: 10% to 95% RH
- Compliance: CE, FCC, RoHS
- Dimensions (gift-box): 21.5 x 8.5 x 19.6 cm

Package Contents

- 1 x Fanvil DH602 Headset
- 1 x DT10 DECT Dongle
- 1 x 1.5-metre USB Cable
- 1 x Quick Start Guide
- 1 x Safety Information & Declaration
