

## Fanvil W620D LINKVIL DECT Phone (W620D)

Product Name: Fanvil W620D LINKVIL DECT Phone (W620D)

Manufacturer: Fanvil

Model Number: W620D

Fanvil W620D LINKVIL DECT Phone (W620D)

The LINKVIL W620D is a DECT Phone, designed for mobile communication when paired with the W710D DECT Base Station. Featuring a HD 2.4-inch colour display (240 x 320), the phone provides a clear and intuitive interface for an exceptional user experience. Built for both comfort and durability, the W620D offers up to 13 hours of talk time and 240 hours of standby time, ensuring reliability throughout extended daily use. With HD audio quality and intelligent noise reduction, calls remain crystal clear even in noisy environments. Equipped with 16 DSS keys, a physical programmable key and a Push-to-Talk (PTT) button, the W620D allows for fast and efficient communication, perfect for team-oriented environments. It also supports Bluetooth 5.0 for wireless headsets and a USB Type-C port for wired headsets. Fanvil W620D Technical Specifications:
