Fanvil A320 Android Touch Screen IP Phone (A320)

As a high-end enterprise IP phone based on Android 9.0 OS, the Fanvil A320 provides users with an intelligent and smooth touch operation experience. Featuring 112 DSS keys, a 10.1-inch colour touch screen, Wi-Fi, and Bluetooth, the A320 enables smart and simple daily communication. It has a built-in adjustable camera and an HD handset, delivering a great audio and video experience for group conferences. The A320 is compatible with the standard SIP protocol and is an ideal choice for office or management centre use, with functions such as making video calls, two-way intercom, and monitoring. Fanvil A320 Technical Specifications:
