Digium S110M FXS Module

Product Name: Digium S110M FXS Module

Manufacturer: Sangoma

Model Number: 1S110MF

Digium S110M FXS Module
The FXS module allows the TDM400P card to terminate analog telephones. Because of the modular design, a user can activate additional ports at any time with more FXS or FXO daughter cards. The FXS module passes all the call features any standard analog telephone will support.

Price: £32.10
