

Digium X400M FXO Module

Product Name: Digium X400M FXO Module

Manufacturer: -

Model Number: 1X400MF

Please Note: The Digium TDM2400P range has been discontinued. For an alternative, please see other models from the Digium A4 Series range.

Availability: In Stock The FXO module allows the TDM400P card to terminate Analogue phone lines (POTS). Due to its modular design, a user can activate additional ports at any time with more FXS or FXO daughter cards. The FXO module passes all the call features any standard Analogue phone line will support. Worldwide certifications are pending.
