Digium S400M FXS Module

Product Name: Digium S400M FXS Module

Manufacturer: -

Model Number: 1S400MF

Please Note: The Digium TDM2400P range has been discontinued. For an alternative, please see other models from the Digium A4 Series range.

Availability: In Stock The FXS module allows the TDM2400P card to terminate Analogue phones. Because of the modular design, a user can activate additional ports at any time with more FXS or FXO daughter cards. The FXS module passes all the call features any standard Analogue phone will support. Worldwide certifications are pending.
