

Valcom VIP-D640 - 6 Digit - 4 Inch Clock

Product Name: Valcom VIP-D640 - 6 Digit - 4 Inch Clock

Manufacturer: -

Model Number: VIP-D640

Availability: In Stock

Valcom VIP-D640 6 Digit 4 Inch Clock

Keeping time accurate and consistent throughout a large facility is easy with Valcom's new IP PoE Clocks - simply add a clock to any location on the network via RJ-45 connection. Power to the clock is provided by Power-Over-Ethernet (PoE) eliminating the need to add costly power outlets. Installation is easy and inexpensive and allows quick and easy relocation of clocks throughout a facility. The VIP-D625 2.5 inch, 6 Digit Clock Display and VIP-D640 4.0 inch, 6 Digit Clock Display enable time indication, synchronization, and correction over an IP-based LAN/WAN. This allows locating a clock display anywhere on the network. Clock synchronization is initiated via connection to a factory preprogrammed time server. The enclosure is made of steel with a durable powder coated finish. The color of the enclosure can easily be changed to match any décor. Power is provided to the VIP-D625 and VIP-D640 via a Power over Ethernet (PoE) switch meeting the 802.3af specification. Manufacturing Facilities – Synchronized time promotes adherence to schedules keeping the entire team consistently meeting productivity goals. Healthcare - Daily healthcare requires synchronized time schedules which are critical for patient care and timely delivery of medications. Schools & Universities - Accurate timekeeping is crucial in transitioning students from one class to the next. Access control systems (security) require synchronized timing.....doors lock at a certain time all across the campus. Valcom VIP-D625 6 Digit 4 Inch Clock Core Features

- RJ-45 network connection
- Easy to read, high visibility Red 2.5" or 4.0" digits display hours and minutes
- Selectable 12 or 24 hour format (jumper setting)
- 802.3af compatible
- High Efficiency
- Set Automatically by NTP (Network Time Protocol)
- 10/100BaseT Ethernet Compatible
- DHCP or Static IP Addressable
- Power over Ethernet (IEEE 802.3af)
- No Master Clock Required
- Simple User Control for: - IP Configuration - NTP Server Address - Time Zone Offset From UTC, Daylight Savings Time - Time Display, 12/24 Hour Format - Status Reporting
- Easily Up-Load Firmware Upgrades
- Industrial Grade Metal Housings

Valcom VIP-D625 6 Digit 4 Inch Clock Specifications DIMENSIONS/WEIGHT VIP-D625

- 15.30" L x 3.00" W x 4.90" H
- Weight: 3.85 LBS.

VIP-D640

- 24.50" L x 3.00" W x 6.75" H
- Weight: 6 LBS.

Nominal Power Requirements 5.4W via 802.3af PoE
Environment

- Temperature: 0 to +40deg; C

Valcom VIP-D640 - 6 Digit - 4 Inch Clock

1½ Humidity: 0 to 85% non-precipitating

Price: £558.40
