

OpenVox EC2032 Echo Cancellation Module for A2410P

Product Name: OpenVox EC2032 Echo Cancellation Module for A2410P

Manufacturer: OpenVox

Model Number: EC2032

OpenVox EC2032 Echo Cancellation Module for A2410P

With the interchangeable quad-FXS and quad-FXO modules, A2410P can eliminate the requirement for separate channel banks or access gateways. By installing with up to 5 of this new card in one server, small and medium businesses can easily benefit from its outstanding voice quality and feature-rich system.
