Valcom VIP-160-IC Ceiling Speaker

The Valcom VIP-160-IC is a two-way 8in ceiling speaker used with InformaCast IP Paging software.

The VIP-160-IC Two-Way IP Ceiling Speaker is compatible with Singlewire InformaCast and InformaCast CK systems, allowing page zones to be extended anywhere on the IP network. All control of the speaker features is performed through the InformaCast system. The enclosure is made of steel with a durable white powder-coated finish. Power is provided to the VIP-160-IC via a Power over Ethernet (PoE) switch meeting the 802.3af specification.

Valcom VIP-160-IC Features:

- Two-Way Communication
- (802.3af) - No Local Power Required
- High-Efficiency 8" (203mm) Speakers
- Durable Electrostatic Powder Coat Finish on Metal Surfaces
- Output Level 103 db/1Meter
- Line Output Supports Valcom Amplified Speakers
- Mounting Backboxes Available
