Valcom VIP-480L-W-IC Horn - Marine White

The Valcom VIP-480L-M-IC Horn is a marine white IP Paging horn which is water-proof so it can be used indoors or outdoors. This model is especially configured to work with InformaCast systems. It features an easy adjustable mounting bracket and can be mounted into a variety of configurations using optional mounting hardware, including recessed, surface mounted, angled surface mount, or vandal-resistant mounting.
The VIP-480L IP Paging Horn is a self contained paging system which enables voice paging up to 1200 feet from an Ethernet connection. This Valcom Horn consists of a high efficiency 3 Watt Class-D Horn and a VIP-LLE Network Extender allowing stand alone capability when used with a SIP Phone System or can be accessed from a variety of Valcom managed VoIP products.
