Konftel 55W Conference Phone

Product Name: Konftel 55W Conference Phone
Manufacturer: Konftel
Model Number: 910101082

Konftel 55W Conference Phone
The Konftel 55W is an easy-to-use conference phone which provides crystal-clear sound via patented audio technology OmniSound HD. The Konftel 55W has been specially designed to be the hub of your communications and connects computers, mobile phones/tablets, and desktop phones.

ï¿½ OmniSound® HD
ï¿½ High resolution touchscreen
ï¿½ Expandable with microphones
ï¿½ SD call recording
ï¿½ Upgradable software
ï¿½ Bluetooth

With the Konftel 55W, you can be sure that your meetings will be conducted with superior sound quality, as well as having the ability to combine and switch connections easily on the LCD colour screen's smart user interface. The Konftel 55W also lets you record calls or dictations, allowing you to move the memory card to your computer to save or share the audio files.Note: Please refer to the Konftel IP Conferencing Detailed Comparison Table for more information.
