Plantronics CS520 Binaural wireless EHS headset

The Plantronics CS520 is a headset with a 120 metre wireless range, ideal for working in busy hot-desking environments, and with the ability to connect up to four headsets on a single call.

Features of Plantronics CS520 wireless DECT headset

- Range up to 350 feet away for maximum mobility

- Advanced wideband audio using CAT-iq technology for high definition voice quality

- Noise-canceling microphone reduces background noise interruptions, ensuring great audio quality and easing listener fatigue

- One-touch call answer/end, vol +/-, and mute

- DECT technology provides better audio; eliminates interference from Wi-Fi networks

- Conference in up to three additional headsets for enhanced collaboration. Ideal for conference call and training purposes * Will require purchase of appropriate adaptor for EHS capabilities.

Price: £235.89
