3CX IP PBX Phone System Standard 4SC 1 Year Maintenance for Perpetual Licences (Upgradable to 1,024 SC)

The 3CX IP PBX Phone System Standard 4SC 1 Year Maintenance is for use with 3CX perpetual licences only. A maintenance package entitles you to free updates of a 3CX Phone System, including patches, 3CX tested IP Phone firmware updates, 3CXPhone client updates and of course any new versions that are released. After the first year, you must purchase maintenance WITHIN 30 days of the maintenance expiry date to continue receiving these benefits. If you do not renew your maintenance and wish to upgrade to the latest version once a new version is released, you will have to buy a version upgrade. Please note that we do not provide free telephone and email support on new 3CX licences unless that option is selected at the time of purchase. 3CX users do have free access to web based support tools such as the 3CX user to user forum, 3CX wiki, 3CX FAQs.
