3CX Phone System 512SC inc 1 year Maintenance (3CXPS512)
The 3CX Phone System 512SC eliminates the phone wiring network and allows users to easily work remotely. Allowing you to evolve your communications, the 3CX 512SC completely replaces your proprietary PBX, supports standard SIP soft/hard phones, VoIP services and traditional PSTN phone lines.
3CX Phone System 512SC Key Features

ï¿½ Complete phone system – Provides call switching, routing & queueing
ï¿½ Purchase cost dramatically lower than a traditional hardware PBX
ï¿½ Scalable – Unlimited extensions and phone lines. No proprietary expansion modules needed!
ï¿½ Web based configuration & status indication – Easy phone system management!
ï¿½ Unified Communications – Receive voice mail via email & see user presence
ï¿½ Auto-Attendant (e.g. 1 for sales, 2 for support, etc.)
ï¿½ Reduce long distance and inter office call costs
ï¿½ No more expensive proprietary system phones – Use standard SIP phones
ï¿½ Eliminate the phone wiring and make moving offices easier
ï¿½ Easy call control, presence and extension management
ï¿½ Click to Dial & Call Pop-up for Microsoft Outlook
ï¿½ Receive & Make calls via the standard PSTN using VoIP Gateways or cards
ï¿½ Save on monthly call costs using SIP trunks, VoIP providers or Skype Connect!
ï¿½ Out of the box configuration for many VoIP Providers, VoIP Gateways, Skype™ and IP Phones

The 3CX Phone System is far more cost effective than a traditional PBX and can reduce call costs substantially by using a VoIP service provider. Its web-based administration makes phone system management easy.
