

## Grandstream GXV3275 IP Multimedia Phone for Android

Product Name: Grandstream GXV3275 IP Multimedia Phone for Android

Manufacturer: -

Model Number: GXV3275

Please Note: This product has been discontinued. Please see the Grandstream IP Phones section for alternative products.

### Grandstream GXV3275 IP Android Phone

The Grandstream GXV3275 IP video phone featuring the Android Operating System. The GXV3275 combines a 6-line IP video phone with a multi-platform video conferencing solution to offer an all-in-one communications solution.

### Grandstream GXV3275 Key Features

- 6 lines 6 SIP accounts, up to 6-way voice conferencing, and 3-way video conferencing

- Runs Android version 4.2, and offers full access to the Google Play Store

- Dual switched 10/ 100/ 1000 Mbps ports with integrated PoE

- CMOS camera

- 7 inch (1024x600) capacitive touch

The GXV3275 runs the Android Operating System, and therefore offers full access to the many Android apps in the Google Play Store, including popular productivity, and business apps. The Grandstream GXV3275 experience is delivered on a 7-inch touchscreen, and features integrated Bluetooth, Gigabit ports, a built-in web browser, integrated WiFi, HD audio, and PoE. By combining the power of multiple devices into one, the GXV3275 is the ideal solution for all communication, productivity, and video conferencing needs.
