Spectralink PIVOT 8753 EU Black Handset Only

Product Name: Spectralink PIVOT 8753 EU Black Handset Only
Manufacturer: -
Model Number: PBK87535

Please Note: This product is end of life. For an alternative, please see the other Spectralink phones.

Spectralink PIVOT 8753 EU Black Handset Only
The Spectralink PIVOT 8753 EU Black Handset Only, with a 2D barcode scanner, expands the Spectralink 8000 Portfolio of Voice over Wi-Fi handsets to deliver enterprise-grade, on-site voice mobility with a user-friendly interface presented on an extensible application platform.
Spectralink PIVOT 8753 Key Features

ï¿½ Spectralink’s high-performance audio and voice over WLAN implementation
ï¿½ Enterprise SIP and WLAN features
ï¿½ Android-based home page, user interface, settings utility, applications
ï¿½ Highly customisable platform via optional feature licenses
ï¿½ Large, optically bonded, damage-resistant glass touchscreen
ï¿½ Multi-touch pan, zoom, swipe-gesture navigation
ï¿½ Dedicated hard buttons for emergency dial (red button), scanning and Push-to-Talk (PTT)1
ï¿½ Chemical resistance to commonly used cleaning solutions
ï¿½ Secure Over-the-Air (OTA) provisioning and management

Based on the industry standard Android operating system, the PIVOT is a WorkSmart solution - differentiated by its intuitive touchscreen design, HD voice quality, seamless Voice over Wi-Fi roaming without dropouts, durability, broad telephony and WLAN interoperability, and predictable return on investment.
PIVOT further enhances the customer value proposition with two enhanced standards-based application interfaces, an optional, high-performance integrated barcode scanner and an industrial-grade accelerometer. In partnership with the Spectralink applications development ecosystem, PIVOT enables new opportunities for end-user productivity solutions.
