Gigaset N300IP Base Station and Gigaset A540H DECT Phone Bundle - One Handset
The Gigaset N300IP Base Station and Gigaset A540H DECT Phone Bundle - One Handset is a bundle that is easy to set up and configure. The Gigaset A540H has a 1.8 inch screen and advanced features.
What's included in this bundle

• 1 x Gigaset N300 IP DECT Base Station
• 1 x Gigaset A540H DECT Phone

The Gigaset N300 IP is the easy-to-configure hybrid DECT IP base station that lets users enjoy calling over both a landline and the internet. Multi-line support allows registration of up to 6 different compatible Gigaset handsets to the base station and up to 4 parallel calls (1 landline + 3 VoIP) can be made at once.

The Gigaset A540H has a 1.8" high contrast display and a modern slim, sleek design. This handset can be customised to the personal taste of the user with a choice of background colours and ringtones. The A540H is ideal for use as a basic handset with the Gigaset N300IP and N510IP* DECT base stations.
