

Grandstream GXP1625 HD IP Phone

Product Name: Grandstream GXP1625 HD IP Phone

Manufacturer: Grandstream

Model Number: GXP1625

Grandstream GXP1625 HD IP Phone

The Grandstream GXP1625 is an IP Phone that is perfect for small businesses. Professionals can enjoy HD audio on both speakerphone and handset and a clear 132 x 48 backlit graphical LCD display. Other great features include 2 SIP accounts and 3 XML programmable context-sensitive soft keys.

Grandstream GXP1625 Key Features:

- 2 SIP accounts, 2 line keys, 3-way conferencing, 3 XML programmable context-sensitive soft keys

- Dual-switched 10/100 Mbps ports, integrated PoE on GXP1625

- HD audio on speakerphone and handset

This model differs from the GXP1620 by offering integrated PoE. This feature among others allows the GXP1625 to be a versatile, user-friendly and high-quality IP office phone.

Reliable and User-Friendly Design

The GXP1625 is a basic IP phone designed for users handling light to medium call volumes. It supports 2 lines and SIP accounts, offering clear and reliable communication with its HD audio capabilities. The phone also features a 2.95-inch display and 3 XML programmable soft keys, making it easy to use and customize for everyday tasks.

Productivity and Connectivity Features

The GXP1625 enhances productivity with 3-way conferencing, enabling efficient collaboration. It includes dual-switched 10/100 Mbps ports and integrated PoE, making deployment flexible and simple by providing both power and network connectivity through a single cable.

Secure and Easy to Deploy

As part of Grandstream's IP phone lineup, the GXP1625 offers advanced security encryption (SRTP and TLS) to ensure secure communications. It also supports automated provisioning options, such as zero-configuration with Grandstream's UCM series IP PBXs, encrypted XML files, and TR-069, making mass deployment easy and efficient for businesses.
