

## Grandstream GXP1615 IP Phone

Product Name: Grandstream GXP1615 IP Phone

Manufacturer: Grandstream

Model Number: GXP1615

### Grandstream GXP1615 IP Phone

The Grandstream GXP1615 IP Phone is a user-friendly PoE IP phone with an array of features making it a perfect choice small-to-medium businesses (SMBs) and home offices.

### Grandstream GXP1615 Key Features

- 1 SIP account, 2 line keys, 3-way conferencing, 3 XML programmable context-sensitive soft keys
- Dual-switched 10/100/1000 mbps PoE ports
- EHS support for Plantronics headsets
- Up to 500 contacts
- Call history up to 200 records

With a 132 x 48 LCD screen, up to 2 call appearances and 3-way conferencing, This IP phone is a trustworthy Linux-based model. Other important specifications such as dual switched 10/100 Mbps ports, multi-language support, Electronic Hook Switch support for Plantronics headsets, call-waiting and 3-way conferencing make up the superb GXP1615 IP Phone.

### Simple and Efficient Design

The GXP1615 is an easy-to-use IP phone tailored for small business users who need a reliable VoIP solution. It supports 1 line and 2 call appearances, featuring a 2.95-inch LCD screen and 3 XML programmable soft keys for quick customisation. This design ensures a user-friendly experience, making it a great option for everyday communication.

### Productivity and Connectivity

The GXP1615 boosts productivity with 3-way voice conferencing, allowing users to collaborate seamlessly. It comes equipped with 10/100 Mbps network ports and integrated PoE, offering flexibility and ease of installation. The phone also supports EHS for Plantronics headsets, enhancing its versatility for different office setups.

### Ideal for Small Business Needs

Perfect for small businesses, the GXP1615 combines essential features with simplicity, providing a high-quality and efficient communication tool. With its intuitive interface and practical capabilities, it delivers a cost-effective VoIP solution that enhances daily operations without unnecessary complexity.
