

Panasonic KX-TPA60 Wireless DECT Handset

Product Name: Panasonic KX-TPA60 Wireless DECT Handset

Manufacturer: Panasonic

Model Number: KX-TPA60

Panasonic KX-TPA60 Wireless DECT Handset

The Panasonic KX-TPA60 Wireless DECT Handset allows businesses to expand their communications as they grow. When combined with the KX-A406 repeater, they provide wide-ranging coverage that integrates flexibility and enhanced customer service throughout the operations of a business.

Panasonic KX-TPA60 Key Features

- 1.8" colour LCD with backlight

- HD wideband audio (G.722)

- 500 phone book address/20 last dialled number memory

- Soft keys

- Local or network intercom

A colour LCD display with backlight delivers information clearly in every office environment, while the ability to store 500 phone book addresses and 20-last number dialled records - along with soft keys for ease - means professional use is quick and convenient. The KX-TPA60 is supported by, and included with, the KX-TGP600. This model can also work alongside any combination of additional KX-TPA60, KX-TPA65, KX-UDT121 or KX-UDT131 handsets (KX-TPA60 + up to 7 handsets).
