VTech ErisTerminal VSP725 Entry-Level SIP Phone

The VTech ErisTerminal VSP725 is a business entry-level desk phone. Installation is easy and cost-effective with Power over Ethernet (PoE) support, dual Ethernet ports and auto-provisioning. The VSP725 enables you to program up to 24 buttons for one-touch access to shared call appearances, busy lamp fields, quick dial keys, paging and more.

VTech ErisTerminal VSP725 Key Features

- Advanced call handling, compatible Broadsoft and Asterisk
- FreePBX support
- Flexibility: Support for up to three SIP lines/accounts
- Intuitive design
- One-button call routing: Program up to 12 dual-function feature keys for convenient access, including shared call appearances (SCA), busy lamp fields (BLF), quick dial and feature codes.
- Full-duplex speakerphone
- HD voice quality
- Dual Ethernet ports
- Power over Ethernet
- Two-year warranty

Manage multiple calls with advanced call handling features and support for up to three SIP lines/accounts. Support for the G.722 wideband codec for HD Audio means you'll enjoy superior voice quality too.

NOTE: Features and functionality may vary, depending on SIP service provider and/or SIP based PBX equipment.
