Yealink YHS33 IP Headset

The Yealink YHS33 is an over-the-head style headset that can be used with the complete series of Yealink enterprise IP phones. It is the perfect choice for office workers, SOHO, or call-centre staff with a modern and slim design.

Yealink YHS33 Key Features

• Noise Cancelling

• Featherweight

• Ergonomic design

• Comfortable & adjustable

• Plug and play

• Compatible with Yealink T2, T3, T4 and T5 Series IP phones

Its distinctive design is slim and stylish and made from featherweight materials to ensure maximum comfort. The unique pivoting boom mic coupled with wide-band audio technology delivers rich, clear audio and comes with ultra noise-cancelling technology to filter out background noise. The Quick Disconnect feature provides walkaway convenience, enabling users to quick leave for a short time or switch to other equipment.
