Product Name: 2N IP Verso Bluetooth Module (9155046)

Manufacturer: 2N Telecommunications

Model Number: 9155046

2N IP Verso Bluetooth Module (9155046)

The 2N 9155046 Bluetooth Module provides users with a safe and convenient way to unlock doors using a Bluetooth-enabled smart phone or tablet with the 2N Mobile Key application. Communication between the Bluetooth module and the 2N Mobile Key application is fully secured through asymmetric RSA-1024 and symmetric AES-128 keys. This application runs in the background on your phone in order to save your phone's battery.
