RTX 4022 DECT Repeater

Product Name: RTX 4022 DECT Repeater
Manufacturer: -
Model Number: RTX4022

Please Note: This product has been discontinued. Please see the Snom Wireless VoIP Phones for an alternative.

RTX 4022 DECT Repeater
A RTX 4022 DECT Repeater can be deployed when a need to extend the range of a DECT telephone arises. The repeater can also be utilized wherever there is a need to increase limited coverage or improve reception in remote areas.
RTX 4022 Key Features

ï¿½ RTX is the world leading supplier of repeaters and an obvious choice as your future supplier.
ï¿½ Technically superior at the best price on the market.
ï¿½ Double the range of a DECT base station – or achieve up to 2.4 km range with the Professional edition.
ï¿½ Possibility to register multiple repeaters.
ï¿½ Superior audio quality – both narrow band and wide band.

RTX 4022 - Technical Specifications
GENERAL FEATURES
