

2N USB Fingerprint Reader 9137423E

Product Name: 2N USB Fingerprint Reader 9137423E

Manufacturer: 2N Telecommunications

Model Number: 9137423E

2N USB Fingerprint Reader 9137423E

The 2N USB Fingerprint Reader 9137423E is a external fingerprint reader connected to a computer via USB. It is intended for administration and adding new user fingerprints via the device's web interface (2N® Access Unit or 2N® Helios IP Verso) or 2N® Access Commander software. A USB driver is required for correct function. Suitable to work with 2N Helios IP Verso, 2N Access Unit and 2N Access Commander.
