2N Surface Installation Frame for 3 IP Verso Modules - Black (9155023B)

The 2N Surface Installation Frame for 3 IP Verso Modules - Black (9155023B) is a 3 Module Surface-mount Frame in Black for use in completing a 2N Helios IP Verso Modular Door Intercom system. The 2N 9155023B 3-Module Frame can be used with either a Verso Basic Main Unit + 1 additional Module or with 3 x Additional Function Modules. Having chosen your Verso Basic Main Unit (Part Number 9155101B or 9155101CB), you can choose from a range of Surface-mount for Flush-mount Frames, Back Boxes, Additional Function and Accessories to create an easily self-assembled, professional grade Door Access Unit. This Frame is a component part of the 2N Verso Modular Door Entry range.
