Polycom VVX 600 Skype For Business Edition Gigabit Media Phone
The Polycom VVX 600 Skype For Business Edition is a business media VoIP phone with a 4.3” gesture-based, multi-touch touchscreen LCD screen, 16 SIP lines and 2 Ethernet Gigabit Ports. This version of the VVX 600 is compatible with the Skype for Business service. This entry level ‘always on’ phone enhances your communications options over just using a Skype for a Business client with a headset.Polycom VVX 600 Skype For Business Edition Key Features:

ï¿½ Compatible with Skype for Business / Lync
ï¿½ 16 line registrations
ï¿½ 4.3in LCD gesture-based, multi-touch capable capacitive touchscreen
ï¿½ 2 Ethernet Gigabit Ports
ï¿½ Hard Keys: 12-key keypad, home, speaker, mute, volume, headset
ï¿½ Video playback and video conferencing via external USB cam
ï¿½ Video conferencing accessories compatible
ï¿½ Power over Ethernet

The VVX 600 has been built with executives and managers in mind with the capabilities to manage Microsoft Exchange Calendars, receive meeting reminders and alerts, access the corporate directory and Instant Messaging/presence status right from the phone display.
The Polycom VVX 600 phone is built for executives and managers who need a powerful, yet intuitive, expandable office phone that helps them stay connected to lead your organization. Founded on the behaviour common to smartphones and tablets, the intuitive gesture-based, the multi-touch user interface of the VVX 600 phone makes navigation easy and requires minimal training. With its combined ergonomic design, Polycom HD Voice quality and a large, high-resolution colour, multi-touch screen.Polycom VVX 600 Technical Specifications
