Jabra Pro 930 UC Mono USB Wireless Headset

The Jabra Pro 930 UC Mono is a professional entry-level wireless headset designed for unified communications and PC-based telephony. The robust Jabra Pro 930 UC Mono offers all the essential features of a wireless headset in a simple design at an attractive price point.

Jabra Pro 930 UC Mono Key Features

- DECT wireless technology
- Noise-cancelling microphone
- Up to 325 ft office range
- Standby time 36 hours
- Optimised for all leading UC platforms

The Jabra Pro 930 UC Mono also frees users from their desk, enabling them to find documents and multi-task with maximum efficiency while on a call.

High-Quality SoundThe Jabra Pro 930 UC Mono delivers a crystal clear, wideband audio experience for softphone calls, conference calls, live presentations, and other multimedia applications.

Simple IntegrationThe Jabra Pro 930 UC Mono is certified and optimised for all leading Unified Communication platforms; simply connect the headset to the computer and it is ready to use. The simple and intuitive call control buttons offer maximum flexibility to manage calls while away from your desk.
