Jabra Pro 930 MS Mono USB Wireless Headset

The Jabra Pro 930 MS Mono is a professional entry-level wireless headset designed for unified communications and PC-based telephony. The robust Jabra Pro 930 MS Mono offers all the essential features of a wireless headset in a simple design at an attractive price point.

Jabra Pro 930 MS Mono Key Features

- DECT wireless technology
- Noise-cancelling microphone
- Up to 325 ft office range
- Standby time 36 hours

The Jabra Pro 930 MS Mono also frees users from their desk, enabling them to find documents and multi-task with maximum efficiency while on a call.

High-Quality Sound The Jabra Pro 930 MS Mono delivers a crystal clear, wideband audio experience for softphone calls, conference calls, live presentations, and other multimedia applications. **Plug and Play Connectivity** Simply connect the Jabra Pro 930 MS Mono headset to the computer and it is ready to use. The easy-to-use intuitive call control buttons also offer maximum flexibility to manage calls while away from your desk.
