Plantronics CS510 Monaural Wireless EHS headset
The Plantronics CS510 is a headset system with a 120 metre wireless range, ideal for working in busy hot-desking environments and with the ability to connect up to four headsets on a single call. With quick set-up and high-quality audio, pair the CS510 with a base unit simply by docking the headset, enabling quick set-up in hot-desk environments. It also has CAT-iq wideband, DSP and a host of other advanced audio features deliver crystal clear, natural voice call clarity.
Plantronics CS510 Monaural Wireless EHS headset Key Features

ï¿½ Lightest DECT wireless headset on the market (convertible)
ï¿½ Adaptive power system optimises for range and talk time
ï¿½ Noise-cancelling microphone
ï¿½ Gain mobility – multitask hands-free up to 120 metres
ï¿½ Audio controls volume/mute at your fingertips
ï¿½ Conference in up to three additional headsets for enhanced collaboration
ï¿½ DECT technology provides better audio; eliminates interference from Wi-Fi networks
ï¿½ Advanced wideband audio using CAT-iq technology for high definition voice quality

The CS510 also has a noise-canceling microphone which reduces background noise interruptions which ensures great audio quality and eases listener fatigue. In addition, it has enhanced Digital Signal Processing (DSP) provides more natural sounding voice.
