Plantronics Voyager Legend Bluetooth Headset
The Plantronics Voyager Legend is a Bluetooth Headset that combines triple-mics to cancel noise and wind with voice commands, and smart sensor technology. This means that Voyager Legend understands how and when you want to talk.Voyager Legend even announces who’s calling and lets you say “Answer” to take the call. With technology this advanced, Voyager Legend is the first truly intelligent Bluetooth® headset.
 Plantronics Voyager Legend Key Features

Smart sensor technology
Best noise & wind canceling
Call announce & voice-answer
Voice commands
Streaming audio
Comfortable & durable
Convenient controls
Snap-fit magnetic connection
Find MyHeadset Android app
ï¿½ Tap the voice button to check battery level, connection status and more
ï¿½ Separate power, mute, and volume buttons provide easy access and control
ï¿½ Announces incoming caller’s name (PBAP) and lets you say “Answer” to accept the call or “Ignore” to decline
ï¿½ Magnetic, snap-fit connection makes charging quick and easy

With the Voyager Legend you can check your headset’s battery level from your iPhone or use the MyHeadset or Find MyHeadset app to show meter on your Android™, as well as top up your battery level on the go, with the discreet car charger.
