### Plantronics Savi S730 Headset Monaural Standard

The Plantronics Savi S730 is a standard monaural headset which is optimised for unified communications, and seamlessly manages all PC, mobile and desk-phone calls, and automatically updates your presence status so that colleagues can see your availability. As well as this the S730 has advanced wideband audio using CAT-iq technology for high definition voice quality and a noise-cancelling microphone which reduces background noise interruptions.

#### Plantronics Savi S730 Key Features

- One-touch vol +/-, mute, flash
- One-touch call answer/end
- Hot swappable battery for unlimited talk time
- Noise-cancelling microphone
- Three-way connectivity lets you easily switch and mix audio between PC, mobile and desk phone calls
- Automatically routes mobile audio to whichever device you pick up – headset or mobile phone
- Easily transfer audio between headset and mobile phone to take calls on-the-road
- UC presence automatically updated when on a PC, mobile or desk phone call
- Energy efficient adaptive power system optimises for range and talk time
- Conference in up to three additional headsets and guests can continue through multiple calls
