Snom D785 VoIP Phone - White (D785W)

Please Note: This unit is also available in black. [Click here for details and pricing.](#)

The Snom D785W is an elegantly designed, white VoIP phone that features a large high-resolution colour display and a convenient second screen for dynamic contact management. The Snom D785W also features integrated Bluetooth and possesses all the functions necessary to fulfill even the most demanding requirements.

Snom D785W Key Features

- Up to 24 BLF keys (6 physical)
- High-resolution colour display
- 6 (24) configurable self-labelling multi-colour LED keys
- USB port
- Bluetooth connectivity
- Elegant white design

Featuring an integrated Digital Signal Processor (DSP), the Snom D785W has unprecedented HD audio quality, combined with a large high-resolution colour display, perfect for any working day. The well-designed user interface and second screen make using this telephone more intuitive than ever.

Thanks to the second integrated display many applications can be managed quickly and easily. The D785W allows you to set up 24 one-touch keys to manage group calls and speed dial/function keys by displaying all information dynamically.
