

Jabra Engage 50 Stereo corded headset

Product Name: Jabra Engage 50 Stereo corded headset

Manufacturer: Jabra

Model Number: 5099-610-189

Jabra Engage 50 Stereo corded headset

The Jabra Engage 50 is a corded headset designed for softphone environments, with features that combat noise and interruptions to drive customer satisfaction in the contact centre. It features a unique, 3-microphone system that filters out background noise and breathing sounds, giving callers a superior experience. Stereo sound and super wideband give vibrant, lifelike conversations – with the highest levels of hearing protection for agents.

Jabra Engage 50 Key Features

ï¿1/2 3-microphone system

ï¿1/2 Stereo sound and super wideband

� Customisable status lights on both earcups

ï¿⅓ Intuitive, stay-flat control unit

� Live microphone guidance for agents

� Rich call analytics for the business

ï¿1/2 USB-C connectivity. USB-A connectivity also available

Multi-colour status lights on both earcups ensure interruptions are kept to a minimum. More than just a busy light, the status lights can be customised for specific needs. Impressive passive noise cancellation enhances agents' focus. The Engage 50 leverages Jabra software3 for a smarter way to overcome noise. With live on-screen microphone guidance for agents and rich call analytics for the business, the Engage 50 helps deliver better-sounding calls. Jabra Engage 50 Technical Specification
