

## Microsoft TEAMS License for AudioCode's SBC (SW/Teams)

Product Name: Microsoft TEAMS License for AudioCode's SBC (SW/Teams)

Manufacturer: -

Model Number: SW/Teams

Microsoft TEAMS License for AudioCode's SBC (SW/Teams)

Microsoft TEAMS License for Connecting AudioCodes' SBC to Microsoft® Teams Direct Routing Enterprise Model. Microsoft Teams Direct Routing allows connecting a customer-provided SBC to Microsoft Phone System. The customer-provided SBC can be connected to almost any telephony trunk, or connect with third-party PSTN equipment. The connection allows:

• Using virtually any PSTN trunk with Microsoft Phone System

• Configuring interoperability between customer-owned telephony equipment, such as third-party PBXs, analog devices, and Microsoft Phone System
