Yealink T53W Business IP Phone (SIP-T53W)

Product Name: Yealink T53W Business IP Phone (SIP-T53W)
Manufacturer: Yealink
Model Number: T53W

Please Note: This product is compatible with Zoom.

Yealink T53W Business IP Phone (SIP-T53W)
The Yealink SIP-T53W is an easy-to-use Prime Business Phone with an adjustable 3.7-inch graphical LCD that you can easily and flexibly find the comfortable viewing angle according to the personal and environmental needs.
User Friendly
The Yealink SIP-T53W IP Phone features an adjustable 3.7-inch graphical LCD that you can readily adjust to a comfortable viewing angle. The SIP-T53W features the latest version of Yealink Optimal HD Voice technologies, including Yealink Acoustic Shield technology, that effectively eliminates background distractions and noises and delivers crystal clear voice even in a noisy environment. Meanwhile, complying with the latest Hearing Aid Compatibility (HAC) Regulations, its HAC handset helps people with hearing loss to hear the voice more clearly.
Wireless Transmission
The Yealink SIP-T53W IP Phone not only furnishes you with built-in Bluetooth 4.2 for Bluetooth headsets and mobile contact synchronization, but also the built-in dual band Wi-Fi for Wi-Fi connectivity, allowing you to access the 5G Wi-Fi connectivity easily. Also, if you want to expand your horizons for busy environments or share one phone system with your small team by adding multiple handsets, just simply turn your IP phone to the corded-cordless phone via DECT technology. In addition, the IP phone can function with Yealink VC Desktop together to share content from your laptop, making collaboration much easier than before.
Efficient Installation and Provisioning
The Yealink SIP-T53W supports efficient provisioning and effortless mass deployment with Yealink’s Redirection and Provisioning Service (RPS) and Boot mechanism to help you realise the Zero Touch Provisioning without any complex manual settings.
Specifications
