

Jabra Speak 410 MS Entry-level portable USB conference speakerphone

Product Name: Jabra Speak 410 MS Entry-level portable USB conference speakerphone

Manufacturer: Jabra

Model Number: 7410-109

Jabra Speak 410 MS Entry-level portable USB conference speakerphone

The Jabra Speak 410 is the easy-to-use personal conference call speakerphone with simple USB connectivity for efficient UC meetings, whenever and wherever you need them. Comes with a protective neoprene pouch to keep it scratch-free and ideal for travelling.

Jabra Speak 410 Key Features

- ½ Experience an award-winning device recognized as #1 in sound quality (voice and music) and #1 in design
- ½ Make a speed dial with the one-touch Smart button
- ½ Set-up your meeting in seconds
- ½ User-friendly and compatible with all leading UC platforms

Crystal-clear sound for efficient meetings.

Ensure everyone is heard with the Omni-directional microphone.

In-room coverage for up to 4 people.

Omni-directional microphone provides 360-degree voice pick up.

Connect the Jabra Speak 410 USB cable to any available USB port on a PC or powersupplied hub. The Jabra LED will light up white to indicate the speakerphone is connected and powered on. When the Jabra Speak 410 is connected to a PC, Windows will automatically configure the speakerphone as the default audio device.
