

Jabra Engage 75 Stereo Wireless Headset

Product Name: Jabra Engage 75 Stereo Wireless Headset

Manufacturer: Jabra

Model Number: 9559-583-117

Jabra Engage 75 Stereo Wireless Headset

The Jabra Engage 75 is an entirely new class of DECT wireless professional headsets

engineered to boost customer satisfaction.

Jabra Engage 75 Key Features

� Up to 150m/490ft range

ï¿⅓ 3x wireless density

� Advanced noise-cancelling microphone

12/2 Enhanced speakers with intelligent volume control

� Up to 13 hours talk time

ï¿⅓ Integrated busylight

� Connect up to 5 devices

Industry-leading professional wireless performance. Better customer connections.

Provides superior wireless connectivity to a range of up to 150m/490ft. Enables 3x more users to operate in the same office space – with no loss in connection quality.

Crystal-clear calls. Enhance the customer experience.

Advanced noise-cancelling microphone and enhanced speakers deliver crystal-clear calls even in noisy offices. Meets Skype for Business Open Office requirements.

More talk time, less interruption.

Increase productivity. Up to 13 hours talk time3 and a busylight that acts as a do-notdisturb sign for colleagues.

Increase availability for calls.

Connect to up to five devices simultaneously, increasing your team's availability for customer calls. Can connect to 2 USB devices (softphone and/or desk phone), 2 Bluetooth® devices and 1 analog desk phone.

Choice of wearing styles.

Support different workstyles. With stereo, mono and lightest-in-category convertible models, there's a Jabra Engage for everyone.
