- ï¿1/2 USB headset ready
- ï¿1/2 D7 Expansion Module ready
- ï¿¹/₂ Support for USB WiFi stick
- ïزئ Electronic Hook Switch (EHS)(1) support for wireless headsets
- ï¿1/2 Dual-angle footstand: 46° and 28°

Zero touch provisioning eliminates the need for manual labor typically involved with installation. Power over Ethernet (PoE) support and dual Ethernet ports makes the system cost-effective and easy to use. The USB port allows additional connectivity, including up to three D7 expansion modules for increased visibility and one-button options. The system features multiple configurations, including three programmable feature keys, four soft keys and 14 dedicated feature keys. You'll feel safe with powerful security features like VPN support. Snom D717 Technical Specifications Phone Features
